THE UNONIAN

1938 Year Book of Mount Union College

ALLIANCE, OHIO
June 1, 1938

Students of Mount Union College:

A college yearbook is a collective diary in which are recorded the most vivid and most interesting happenings of the college year. A faithful record of college events will present the most colorful individuals and groups. It will devote fewer pages to academic pursuits and intellectual accomplishments than to campus life. To the reader unacquainted with college life the yearbook may seem to neglect books and to deal unduly with persons. But in college, because unfolding life itself is the overwhelming interest, persons become its subject matter. College students study persons as well as books, and the yearbook is the term paper of the major course.

The value of a college yearbook increases from year to year. Years after graduation, I hope, the possessors of the Unonian will prize it as an aid and a stimulus to memory. Your children will pore over it and grandchildren will ask for explanations of obscure references to activities. In memory a visit will be paid to the campus; a smile will come to aging faces; but the questioner may still be left uncertain of the meaning.

Happy that graduate who takes with his diploma the satisfaction of enduring interests, and consciousness of growing power, and withal a host of friendships. May the 1938 Unonian serve to recall to you in days-to-come happy, fruitful, years on the campus and in the classroom.

With these thoughts in mind the staff presents the Unonian of nineteen hundred and thirty-eight.

ALPHA TAU OMEGA . . . . . .

Founded at Virginia Military Institute, September 11, 1865
Mount Union Chapter founded in 1882
Colors—Sky Blue and Old Gold
Flower—White Tea Rose

HISTORY

Alpha Tau Omega was the first Greek letter college fraternity organized after the Civil War. It was founded at Richmond, Virginia, on September 11, 1856, and its first chapter was established at the Virginia Military Institute at Lexington, Virginia. The founders were: Otis Allen Glazebrook, Alfred Marshall, and Erskine Mayo Ross, three young Confererate soldiers who had seen active service in the Confederate army. After the war, their prime objective was to restore the Union, to unite fraternally the young men of the South with those of the North and to foster a Christian brotherhood dedicated to the task of achieving and cherishing permanent peace. They found their inspiration in this sentiment,

"No North, no South, no East, no West!
But one great nation, Heaven blest!"

Today Alpha Tau Omega has ninety-five collegiate chapters.

Ohio Alpha Nu was the first chapter in Ohio, installed at Mount Union College on February 14, 1882. The fraternity's chief executive officer is the Worthy Grand Chief. The offices are located at Champaign, Illinois.

SIGMA ALPHA EPSILON . . . . . .

Founded at the University of Alabama, March 9, 1856
Mount Union Chapter founded in 1885
Colors—Royal Purple and Old Gold
Flower—Violet

HISTORY

The Sigma Alpha Epsilon Fraternity was founded on March 9, 1856, at the University of Alabama, Tuscaloosa, Alabama. Eight close friends, led by Noble Leslie DeVotie, were the founders of the fraternity which today is the largest and wealthiest of all national fraternities.

The government of the fraternity was vested in the hands of a Grand Chapter for the first thirty years of its existence, then in 1885, due to widespread extension of the chapters, the Grand chapter was discontinued and a Supreme Council was organized. This, and the National Convention, now constitute the chief governing bodies.

In spite of strong provincialism, northern extension was gradually accomplished until at present the fraternity includes 111 active chapters, and 46,734 initiates. Pennsylvania Delta at Gettysburg was the first chapter north of the Mason-Dixon Line. This was discontinued two years later and the distinction of being the first continuous chapter in the North fell to Ohio Sigma at Mount Union College, which was founded in 1885.

The chapter at Mount Union College initiated the only President of the United States that Sigma Alpha Epsilon ever had, William McKinley; also such men as Philander Chase Knox, Secretary of State in 1909; Dr. Charles Armstrong of the United States Public Health Service, who is famous for his infantile paralysis research; Dr. Andervont who is prominent in the cancer field; Louis Brush of the Brush-Moore newspaper unit; and others.

SIGMA NU . . . . . .

Founded at Virginia Military Institute, January 1, 1869.
Mount Union chapter founded in 1892.
Colors—Gold, Black, and White.
Flower—White Rose.

HISTORY

It was in 1869 that Cadets Hopkins, Quarles and Riley founded Sigma Nu Fraternity at the Virginia Military Institute in Lexington. Since that time one hundred and twelve collegiate chapters have been established, ninety-nine of which are actively functioning today. These ninety-nine chapters represent institutions in forty-six states, making Sigma Nu, geographically, the most representative general college fraternity.

Following the installation of Beta Chapter at the University of Virginia, in 1870, several other chapters were established in near-by universities, but it was not until 1884, when Nu chapter was founded at the University of Kansas, that Sigma Nu's real era of national expansion began. The first "northern" chapter at Lehigh University, was founded in 1885.

Sigma Nu came to Mount Union College in 1892, when Beta Iota became the third fraternity on the campus. Its first home, the "Old Red" on Union Avenue, was the first chapter house owned by any chapter of the fraternity.

Among prominent Sigma Nus are former Senator Frederick Steiwer of Oregon, Representative Henry Steagall of Alabama, General Stephen O. Fuqua, chief of infantry, U.S.A., "Fuzzy" Knight of the movies, Kay Kyser, tennis champion, Ellsworth Vines, "Hank" Leiber of baseball, and literary critic, Burton Rascoe.

PHI KAPPA TAU . . . . . .

Founded at Miami University, March 17, 1906
Mount Union Chapter founded in 1915
Colors—Harvard Red and Old Gold
Flower—Red Carnation

HISTORY

Phi Kappa Tau was founded at Miami University, Oxford, Ohio, on March 17, 1906. Conceived by a group of four men, William H. Shideler, Clifton D. Boyd, Taylor A. Borradaile, and Dwight I. Douglas, Phi Kappa Tau is the fourth of five national fraternities to be founded on the Miami campus. The fraternity is a direct outgrowth of an organization known as the Non-Fraternity Association, founded in 1904; a name which was later changed to Phrenocon Association.

It was as Phrenocon that the society assumed a national aspect, being installed as a chapter at Ohio University in 1910. Other affiliations followed, and after the installation of Zeta chapter at the University of Illinois, in 1918, the name, Phi Kappa Tau, was formally adopted.

The World War forced a temporary cessation of activity in the undergraduate groups of Phi Kappa Tau, the same as in other fraternities. With the close of the war, however, began a period of internal organization. Chapter finances were strengthened, city alumni groups organized, and the national magazine, The Laurel, was established. The National Headquarters Building in Oxford, Ohio, near the site where the fraternity was founded, was erected in 1931 as a memorial to the founders with funds provided from endowments.

ALPHA KAPPA PI . . . . . .

Founded at Newark College of Engineering, January 1, 1921
Mount Union Chapter founded in 1929
Colors—Dartmouth Green and White
Flower—Yellow Tea Rose

HISTORY

Alpha Kappa Pi was founded at the Newark College of Engineering, Newark, New Jersey, on January 1, 1921, where it was previously known as Phi Delta Zeta Fraternity.

In the fall of 1925, representatives of Phi Delta Zeta and Alpha Kappa Pi, a local fraternity at Wagner College, Staten Island, New York, at the suggestion of Albert Hughes Wilson of New York City, decided to form their own national organization. On March 23, 1926, the organization was completed in the study of Dr. Wilson and Alpha Kappa Pi made its initial bow into the national fraternity field. The Alpha Chapter was placed at Newark College and the Beta Chapter at Wagner College as a result of a compromise on the selection of a name.

Immediately thereafter the fraternity was incorporated in New Jersey as the Alpha Kappa Pi Fraternity of the United States of America.

Dartmouth Green and White were chosen as the colors of the fraternity and the Yellow Tea Rose—the Mrs. Calvin Coolidge Rose—was designated as the official flower of the fraternity.

The fraternity has steadily grown in number and strength until at present it has twenty-eight chapters.

Flower—Pink Rose

HISTORY

Alpha Xi Delta was founded at Lombard College, Galesburg, Illinois, April 17, 1893. Ten young women formed the organization for the betterment of their small college and to live above the level of clownishness and selfishness. In May, 1930, an academic merger was effected between Lombard College and Knox College. With the initiation of thirty-five pledges, September 13, 1930, Alpha Chapter began its new life at Knox.

Gamma Chapter at Mount Union College was founded August 20, 1902. There are now 56 chapters in Alpha Xi Delta represented in 34 states; 26 of the chapters own their houses. There are 47 alumni chapters.

Some Alpha Xi Delta alumni named in Who's Who are: Dr. Elizabeth Emery Chickering, Physician; Mrs. Mary Tribble Lowry, Dean of Women at Stetson University; and Mrs. Lois Montross Stafford, author.

DELTA DELTA DELTA . . . . .

Founded at Boston University on Thanksgiving Eve, 1888
Mount Union Chapter founded in 1914
Colors—Silver, Gold, and Blue
Flower—Pansy

HISTORY

On Thanksgiving Eve, 1888, at Boston University, Delta Delta Delta was founded by Sarah Ida Shaw, Eleanor Dorcas Pond, Florence Stewart, and Isabelle Breed. Its growth has steadily increased, and today Tri-Delta has 87 chapters.

The stars and crescent of Delta Delta Delta's pin were chosen because of their bright appearance in the sky the night of the sorority's founding.

Delta Delta Delta is an international fraternity. There are chapters both in Canada and abroad. In Ohio colleges there are five chapters of Tri-Delts. Last fall the Delta's initiated a new publication program. It includes the "Trident," a magazine, and the "Deltagram," a smaller publication. These are sent to life subscribers. The editor is Mary James Stark.

National Conventions are held every three years. The Fiftieth Anniversary of the founding of Delta Delta Delta will be observed at Boston this year. Every year the Deltas of Ohio meet at Columbus for a convention known as State Day.

Some well known Tri-Delts are: Mrs. Phillip S. Post, only woman of the Knox Board of Trustees, Ernestine B. Grigsby, noted artist, journalist and public speaker, and Bette Davis, cinema artist.

Flower—White Rose

HISTORY

On October 23, 1897, a group of four girls, Mary Sommerville Sparks, Lenore Ashmore, Sara Turner, and Julia Gardiner Tyler, granddaughter of President Tyler, students at Virginia State Normal School at Farmville, Virginia, formed the group which in April, 1902, was chartered under Virginia Law as Alpha chapter of Kappa Delta Sorority. The Y.M.C.A. on Mount's Campus awakened to new life during the past two semesters. The Y sponsored a very successful stunt night and Homecoming pep rally and procured Rev. Hoverland for a series of very interesting lectures during "Y Week."

The Y.W.C.A. organization stresses "all-round" personality development. New students meet the members in the "Big sister—Little sister" relationship, and through the Y.W.C.A. Freshman Party. Two meetings are held each month, one of which is led by an interest group. Vesper services and lectures are annually scheduled events on the program.

A CAPPELLA CHOIR

COLLEGE BAND

The College A Cappella Choir, under the direction of Dr. Walter H. Hodgson, has made definite progress this past year. The group has sung in various high schools around Alliance and made one trip to Cleveland and Berea, Ohio, in an exchange concert with Baldwin-Wallace College. The choir is one of the largest Mount has ever had, and has furnished many impressive numbers for the chapel service.

The Band is a relatively new addition to Mount Union College. Since it has played at football and basketball games, the spirit has been greatly increased. Gordon Scott has done a great job as Major Domo. We sincerely hope the band will continue its fine work in the future.

PHYSICAL EDUCATION

ROBERT D. WRIGHT

Director of Department of Health and Physical Education, Head Basketball Coach

HARRY GELTZ

Assistant Professor of Physical Education, Head Football Coach

Physical Education at M. U. C.

Under the able direction of Coach Robert D. Wright and Coach Harry Geltz Mount Union College has become one of the leading contenders of the Ohio Conference in all intercollegiate sports. This is but one phase of the Physical Education Program at Mount Union College.

The Department of Health and Physical Education affords an opportunity for all students to develop an interest in play and recreation that will be of use and pleasure to them during their college and later life; to develop the social and moral standards such as sportsmanship, teamwork, tolerance, and other character benefits which naturally come from properly conducted play. It affords a chance for the development of the organic powers of the body which will aid in good health. The department further provides for improvement in coordination and correct use of the body.

There are five definite divisions in the plan of administration of the Health and Physical Education Program of Mount Union College, presented in a pyramidal plan of progression.

First, each student is examined for health and physical fitness; then by the health department they are classified according to fitness and motor ability.

Second, there is a required physical education program for Freshmen and Sophomores which consists of instruction in fundamental skills, techniques, and a history of a large variety of games, sports, and contests.

Third, we have a full intramural program which reaches the majority of students that do not participate in intercollegiate athletics.

Fourth, Mount Union has teams participating in intercollegiate Football, Basketball, Golf, Track, Cross Country, and Tennis.

Fifth, Mount provides for professional preparation of teachers of Health and Physical Education. In these classes the students learn advance instruction in teaching and coaching physical activities and health education.

Our Health and Physical Education Program at Mount Union College is one of the best, and we have due right to be proud of it and its work.

VARSITY FOOTBALL

Mount Union's Purple Raiders, handicapped by the loss of ten lettermen from last year, turned in a record of three wins, three ties, and three losses in a nine game schedule.

Mount opened its season with a decisive victory over Adrian by the tune of 18-0. John Cabas, one of the sophomore hopes of the year, was injured and saw little action the rest of the season.

The Mount Union Jinx continued against a surprisingly strong Hiram team when Ralph Rice was injured while leading Mount to a 7-7 tie. Mount Union's offensive strength was very weak in this game, since they failed to put the ball over from within the ten yard stripe several times.

In the Finlay game, which ended 0-0, time and time again the lack of scoring punch was shown by the Raiders.

Otterbein handed us our first defeat to the tune of 12-7. Although Mount had 17 first downs to Otterbein's 2, Mount still lost the game.

The Migration Game with Wooster was next in line, and a small crowd shivered through a bleak October day to see the Scots take the measure of the Purple Raiders 7-0.

The Ohio Conference Champs, Denison, trampled the boys of Mount 14-0.

Row I: Henry, Reed, Nichols, Boyd, Ziemke, Smith, Neff, Greenisen, Jackson, Monti, Sabo, Raber, Muerth
Row II: Farmer, Carter, Smith, Stevenson, Wilson, Paxson, Howells, Bottomy, Cardinal, Cukro, Ashleman
Row III: Delich, Abegglen, Johnson, Stevens, Ermlich, Peeling, Keel, Bobick, Cabas, Dolan, Wright, Geltz

The big game of the year was the Homecoming Game with the Polar Bears of Ohio Northern. On a perfect day, before a large crowd of cheering alumni, in addition to a series of gala fraternity floats and the Homecoming Queen and her Court of Honor, Mount showed old form in trampling the Bears 7-0. The only score of the game was made by a series of passes from the invalid Rice to All-Ohio Ziemke, who carried the ball across the coveted goal line.

The final game of the year, with Muskingum, ended in a 7-7 tie.

VARSITY BASKETBALL

By winning seventeen games in a nineteen game schedule, Coach Bob Wright's Purple Raiders laid claim to the mythical Ohio State Championship. With the playing of an airtight defensive game and with smooth working offense, they proved themselves to be another superior team.

The squad opened the season with an impressive victory over Findlay by the tune of 35-21. Then Dayton, Cincinnati, and John Carroll were defeated by Mount.

The Mounters met their initial reverse of the season when Bowling Green edged them out 42-40. In a comeback, Oberlin and Case fell, although a stubborn Case team furnished such an opposition that an overtime period was needed.

The Raiders next turned back Ohio Northern and Heidelberg. The second and final defeat of the season came at the hands of Wooster, 38-34.

In the rest of the games of the season Mount settled down to a steady game of ball and defeated Ashland, Fenn, Hiram, Denison, Otterbein, and Muskingum. A smooth working Heidelberg team threw a scare into the Mounters, but the Wrightmen closed fast to win 31-28.

Left to right: McMaster, Paxson, Bottomy, Ziemke, Scott, Mills, Weaver, Raber, Reed, Ben Cope, Nichols, Cabas, Bill Cope

The climax of the season came when the Mounters turned back Wooster's undefeated Conference leaders 38-36 before an overflowing crowd in Memorial Hall. Although handicapped by the loss, via the personal foul route, of its spark-plug, Jack Mills, the team held the highly praised Frascella to one field goal. The Purple and White finished its season by defeating Kenyon 45-36.
